

May Meeting

ICF-GTA Members and Guests Welcome!

Mark your calendars for May 20th and join us for an exciting evening of learning and engaging conversation with Darlene Chrissley, MCC, one of Canada's top coaches.

Coaching Conversations for Power & Possibility

Coaches are experts at shifting downward spiral conversations into conversations for power and possibility.

This workshop offers a process map and some concrete tools to help facilitate that shift, regardless of the issue the client brings. There will be a live coaching demo and plenty of time to practice.

This workshop is timely as we prepare for **Coffee House Conversations for Power and Possibility** at selected GTA Starbucks locations on June 12th.

Reserve early, as space is limited to 50 participants.
